The Malevich Society is pleased to announce its call for 2024 grant applications: https://malevichsociety.org/grant-procedures/

Based in New York, the Malevich Society is a not-for-profit organization dedicated to advancing the knowledge about the artist Kazimir Malevich and his work.

In the belief that Malevich was a pioneer of modern art who should be recognized for his key contributions to the history of Modernism, the Society awards grants to encourage research, writing, and other activities related to his history and memory.
The Society welcomes applications from scholars of any nationality and at various stages of their career. Graduate students are welcome to apply after completing at least one year of dissertation research. Proposed projects should increase the understanding of Malevich and his work, or augment historical, biographical, or artistic information about Malevich and/or his artistic legacy. The Society also supports translations and the publication of relevant texts.

Application forms and instructions may be downloaded from the Society's website: www.malevichsociety.org.

Applications and all supporting documents should be submitted via e-mail to: applications@malevichsociety.org.
