White Heat (Cambridge, 26 Jul 2014)

University of Cambridge, Engineering School, Jul 26, 2014

Freya Jewitt, Cambridge

White Heat

A one-day conference exploring the relationships between art, science and society in the 1960s. 50 years on, key figures from this period will join speakers from the fields of art and cultural history, the history and philosophy of science, contemporary art, science, activism and popular culture to revisit one of the most intense periods of intellectual and cultural ferment.

26 July 2014
Room LR0, Department of Engineering 9.30-4.45pm
Kettle's Yard 5.30-7pm
£20 (£15 concessions) including lunch and refreshments
Introduction: Gustav Metzger's Chemical Revolution, Elizabeth Fisher (+ video contributions from Gustav Metzger)
