Apply for Fulbright-Terra Foundation Awards to Teach in China and Europe

Opportunities are now available to teach American art history in China, at Tsinghua University and Peking University, and in one or more European Union countries (except France, Germany, and the U.K.). The awards to teach in China target senior U.S. scholars at the associate or full professor level. The awards to teach in Europe are only open to early career U.S. scholars.

The application deadline is August 1, 2014. To apply, please visit the Fulbright U.S. Scholar Program website: <http://catalog.cies.org/searchResults.aspx?kw=terra+foundation>
