Room in Room Talks

We cordially invite you to an event series in September as supporting program to the exhibition Room in Room. The exhibition Room in Room, taking place in the Grüntuch Ernst Lab in the former Jewish Girls' School, brings together positions from photography, architecture and installation in a negotiation of the view into, onto and through space. It features works by Jan Bitter, Nina Fischer & Maroan el Sani, Axel Hütte, Veronika Kellndorfer, Carsten Krohn, Kirstin Rogge, Philipp Schaerer, Susanne Schuricht, Hiroshi Sugimoto and Sinta Werner.
