Anales del Instituto de Investigaciones Estéticas

The journal *Anales del Instituto de Investigaciones Estéticas* of the Universidad Nacional Autónoma de México is a biannual publication, specialized in image theory and history of art and esthetics and open to all related disciplines. It includes research papers, critical analyses of documentary testimonies, reports on works of art, news items, biographical sketches, and reviews of publications within the field of artistic production in all its manifestations. Throughout its history, the *Anales* has included collaborations by reputed scholars from around the world. Between 1937 and 1993 the journal was published once a year, as of 1994 the *Anales* appears twice a year.

This site <http://www.analesiie.unam.mx/index.php/analesiie/issue/archive> provides access to the abstracts and complete articles of all the issues published until now.

Vol. XXXVII, issue 107, year 2015

TABLE OF CONTENTS

Presentation
