

SAH Annual International Conference (St. Paul, 18–22 Apr 18)

Society of Architectural Historians 71st Annual International Conference, Saint Paul, MN, Apr 18–22, 2018

Deadline: Jan 17, 2017

Helena Dean

The Society of Architectural Historians is now accepting session proposals for its 2018 Annual International Conference in St. Paul, Minnesota (April 18-22). SAH will offer a total of 36 paper sessions at the conference. SAH members, including graduate students and independent scholars, representatives of SAH chapters and partner organizations, are invited to chair a session at the conference. As SAH membership is required to chair or present research at the annual conference, non-members who wish to chair a session are required to join SAH at the time they submit a session proposal.

Since the principal purpose of the SAH annual conference is to inform attendees of the general state of research in architectural history and related disciplines, session proposals covering every time period and all aspects of the built environment, including landscape and urban history, are encouraged.

The deadline to submit a session proposal is January 17, 2017, at 5 pm CST.

View the full call for sessions and submit a proposal online at <http://sah.org/2018/call-for-sessions>.
