Issue #2: Visualizing Big Image Data

The DAH-Journal is a platform for projects and ideas, for networking, expanding knowledge and pushing forward our discipline, Art History. We are proud to announce that the second issue "Visualizing Big Image Data" is now available.

We offer you the 12 articles on 221 pages as a pdf file in 300dpi for desktop and tablet. In addition, there is a version in the epub format for reading on mobile devices. And a tip: Don't miss the videos on pages 113 and 212!
