Art History and the Global Challenge. Artl@s Bulletin vol. 6,1

Béatrice Joyeux-Prunel, Université de Genève, CH

We are pleased to announce the publication of the new issue of the Artl@s Bulletin devoted to Art History and the Global Challenge.
http://docs.lib.purdue.edu/artlas/

For this special issue of the Artl@s Bulletin, we asked a diverse group of scholars to share with us their perspectives on the “Global turn” and the ways the “Digital turn” is affecting it.
This survey must be regarded as a dialogue in progress: other conversations will follow and will contribute to widening the range of critical perspectives on art history and the Global challenge gathered in this issue.
Yours sincerely,

Béatrice Joyeux-Prunel and Catherine Dossin
