Journal18: Notes and Queries

Journal18 (www.journal18.org) is an online, open access, peer-reviewed journal devoted to the art and culture of the long eighteenth century from around the globe. Taking form as a digital publication, Journal18 embraces the accessibility and flexibility of its format, seeking the widest possible engagement with the latest research in the field. Throughout the year, Journal18 also offers a forum for intellectual exchange in Notes & Queries: a space for short notes, reviews, archival discoveries, or scholarly musings.
