Printing Time: Workshop on French Almanacs

This is to announce a workshop at Waddesdon Manor in conjunction with the exhibition "Glorious Years: French Calendars from Louis XIV to the Revolution". The workshop will explore themes around the production and consumption of French 17th-and 18th-century almanacs (book and print formats), while also looking at the broader context of the history of Time and its depiction during this period. Our distinguished speakers are drawn from across disciplines.

To register an interest in attending please email diane.bellis@nationaltrust.org.uk. A charge of £25 covers all catering costs. To secure a place, please call the Waddesdon booking office 01296 820414 (open 10:00–16:00) to pay using either a debit or credit card. If you have any dietary requirements, please let us know when you book your place.
