"Rethinking Kirchner" is the first international and interdisciplinary conference on the work and life of Ernst Ludwig Kirchner. From 28.06.- 01.07.2018 we aim to bring together the various international clusters of Kirchner research and will give special focus to students, PhD-candidates and Post-docs.

Students and PhD candidates may apply for a grant to help cover expenses associated with travel and accommodation. The organizers offer two kinds of grants:

20 travel grants for European applicants of CHF 500

8 travel grants for non-European applicants of CHF 1000

To apply for a travel grant, candidates are required to write a letter of motivation, highlighting their special interest in the work and life of Ernst Ludwig Kirchner, as well as submit a résumé and a verification of their status (certificate of study or certificate of PhD candidature).

Deadline for applications is February 19, 2018.

The conference committee will select the stipendiaries. Recipients of the scholarships will be notified before March 6, 2018.

Please submit your application to info@kirchner2018.ch
