Call for IAS-Sponsored Session Proposals

54th International Congress on Medieval Studies 2019

The IAS sponsors up to three sessions at the annual meeting of the International Congress on Medieval Studies (ICMS). The Congress is an annual gathering of more than 3,000 scholars interested in Medieval Studies, broadly defined. It features more than 550 sessions of papers, panel discussions, roundtables, workshops, and performances.

The IAS is seeking session proposals for ICMS 2019 that cover Italian art from the fourth through the fifteenth centuries. Members interested in putting together a panel or linked panels should send a brief abstract (250 words max), session title, a short list of potential or desired speakers (they need not be confirmed), the name of the chair(s) with email addresses and affiliation, and a one-page CV.

Please submit by 15 April 2018 to programs@italianartsociety.org
