Organized by: Dr. Sharon Hecker and Katy Rogers

Date: May 1-2, 2018, 9:30am to 5:00pm

Hosted by: The Catalogue Raisonné Scholars Association

Location: The Dedalus Foundation, 25 East 21st Street, 4th Floor, NY, NY 10010

Conference Description:

Posthumous casts made from an artist's lifetime models represent a complex issue for art historians, museums, art foundations, auction houses, curators, collectors, conservators, art lawyers and the art market. The question of how to evaluate and write about these casts is also of vital importance for those working on catalogues raisonnés. The intent of this conference is to share different concerns and viewpoints as well as to come up with new ideas about how to exhibit, label and designate posthumous casts within an artist's oeuvre.
