

## Jornal Diferents. Revista de Museus

Deadline: Jul 31, 2018

Juncal Caballero

The Journal "Diferents. Revista de museus" (Museum of Contemporary Art Vicente Aguilera Cerni of Vilafamés, Castelló, Spain) has opened a new Call for papers for the reception of articles.

"Diferents. Revista de museus" launches a Call for papers for its third issue. In line with the contents of the journal, articles are requested for reflecting on a series of museums and/or art centers that are far from the canon and, for one reason or another, we can consider them as different. Especially those who focus on contemporary art will be taken into account. These museums or centers are understood from a broad point of view, since there would be room in the magazine for artistic experiences with an open character that, in one way or another, have continuity for the visitor.
