The longest-running scholarly journal devoted to the history of American art, the AAAJ aims to showcase new approaches to and out-of-the-box thinking about primary sources. It contains both

commissioned and peer-reviewed research articles that engage with the vast holdings of the Smithsonian's Archives of American Art.

To explore current and back issues of the journal, please go to www.press.uchicago.edu/ucp/journals/journal/aaa.html. The University of Chicago Press website includes information regarding subscriptions and submissions. I encourage potential authors to discuss their research and manuscripts by writing to SheehanT@si.edu.
