Call For Papers

TechnoHeritage 2019

4th International Congress Science and Technology for the Conservation of Cultural Heritage

TOPICS

Topic 1: Development of new digital graphic instruments such as BIM, GIS and others, for knowledge, analysis, protection and conservation of Cultural Heritage.

Topic 2: Management and sustainability of the Cultural Heritage information. Applications and cases about standardization and protocols.

Topic 3: Importance, social value and policies in the management of information for the conservation of Cultural Heritage.

Topic 4: Risk Assessment and monitoring of Cultural Heritage (Pollution, Climate Change, Natural Events, Microclimate).

Topic 5: New technologies, products and materials for conservation and maintenance of Cultural Heritage.

Topic 6: Vulnerability assessment: Agents and Mechanisms of Decay (Physical, Chemical and Biological).

Why attend to TechnoHeritage 2019 Congress?

The conference offers:

- An interdisciplinary and international forum for discussions on all aspects of Cultural Heritage.
- A special session focused on topics such as the application of digital technology for the sustainable management, knowledge and social innovation.
- A high-quality scientific programme including new emerging topics in Cultural Heritage such as: Digital Information Model (BIM, GIS, and BIM & GIS integration) for the prevention, conservation and management of heritage; the role of innovative monitoring techniques and social value in the management of information for the conservation of Cultural.
- Publication of papers in indexed proceedings. In addition, a number of selected papers will be published in a high-quality journal with a high impact factor.
- Reduced registration fee for students. In the case of undergraduate students, recognition of an

academic ECTS credit.

-An extraordinary venue for the conference. Seville is one of the oldest cities in South Europe which preserves an important historical legacy, meeting place between Europe and America.

Enjoy a fantastic social program including some tours to Alcazar, Cathedral, Archivo de Indias, declared a World Heritage Site and the Archaeological Site of Itálica.

-The reduced registration fee also includes lunches, the gala dinner and two different tours.
