CIMA 2020–21 Fellowships

Each year the Center for Italian Modern Art (CIMA) awards multiple CIMA Fellowships to support research and study of Italian modern and contemporary art for doctoral and post-doctoral scholars. Citizens of all nationalities are eligible. CIMA offers a unique experience to its fellows: the annual exhibition serves as a hub for scholars from diverse academic backgrounds to share research derived from the artworks on view with each other and the public. The exhibition for CIMA's next season (October 2020–June 2021) focuses on Mario Schifano and his American years.
