Stedelijk Studies is a high-quality peer-reviewed academic journal published by the Stedelijk Museum Amsterdam. The journal aims to reach an international audience of (young) academics, art professionals, artists, and others interested in the field of contemporary art theory. It is our goal to publish high-quality, peer-reviewed academic research related to the Stedelijk collection, exploring institutional history, museum studies (e.g., education and conservation practice), and current topics in the field of visual arts and design.
