The British Archaeological Association invites proposals by postgraduates and early career researchers in the field of medieval history of art, architecture, and archaeology.
Papers can be on any aspect of the medieval period, from antiquity to the later Middle Ages, across all geographical regions.
The BAA postgraduate conference offers an opportunity for postgraduate students and early career researchers at all levels from universities across the UK and abroad to present and discuss their research, and exchange ideas.
Proposals of around 250 words for a 20-minute paper, along with a CV, should be sent by 31st July 2020 to postgradconf@thebaa.org.

Depending on the COVID-19 pandemic, this conference will either take place virtually or in London – this decision will be made nearer the time.

You can find more information at our website (https://thebaa.org/) or on our Twitter (https://twitter.com/BAAPostgradconf).
