H-ArtHist (Sedlarz)

Dear Adrian Sudhalter,

not photographs, but films on the german Kaiserzeit are actually examined at the department of Medienwissenschaft at the University of Trier.

The main persons are : Uli Jung (jung@uni-trier.de) and Prof. Martin Loiperdinger(loiperdi@uni-trier.de or: kintop@uni-trier.de),

they have a project on documentary FILMS during the german Kaiserzeit of Wilhelm II.

They can give you some more information about Schamoni and his sources belonging to FILM, maybe also to photographs.

Best regards,

Ralf Kotschka
