

Evaluation of an Art Museum Web Site

H-ArtHist (Homann)

Dear Colleagues,

This morning I was horrified and embarrassed to learn that the links at the bottom of the consent form to access the Bayou Bend Web Site evaluation survey were broken (<http://www.bayoubend.uh.edu/consent.htm>). If you have already discovered this, please accept my apologies and try again to access the survey. I really need your help with this evaluation.

Thanks so much!
