"Gothic Sculpture" (Kalamoazoo) deadline changed

Achim Timmermann

Re: Our call for papers for "Gothic Sculpture of the Holy Roman Empire in Its Architectural Setting, ca. 1200- ca. 1400: Recent Contextual Approaches"(37th International Congress on Medieval Studies, Kalamazoo, 2-5 May 2002)

Please note: Owing to the tragic events in America we have extended the deadline for abstract submissions to September 25th. Thank you for your great response so far.

Jacqueline E. Jung
