CALL FOR PAPERS

Seventh International Conference

The International Society for Phenomenology, Aesthetics and the Fine Arts

Harvard Divinity School, Cambridge, Massachusetts

10-12 May 2002

The Metamorphosis of Reality
in the Fine Arts, Poetry and Aesthetics

The International Society for Phenomenology, Aesthetics and the Fine Arts invites paper proposals for its annual interdisciplinary conference.

Papers and sessions are invited that approach individual works of theater/music/dance/visual arts, thematic discussions, or phenomenological considerations. Papers are scheduled for 20-minute slots, with 10-minute discussion.

Deadline for abstracts: February 1, 2002.

Please send two copies one-page abstracts, along with a copy of your current c.v. including email address and phone number. Acceptances sent by February 20. Copies of accepted papers are due April 1. The World Phenomenology Institute will publish selected papers and so reserves the right of first refusal.
