

CHART Digital Art History Conference 28–29 Nov 2001, London

Suzette Worden

CHART's seventeenth annual conference "DIGITAL ART HISTORY: a subject in transition; opportunities and problems"

British Academy, London, 28th and 29th of November.

Like all other subjects, Art History is undergoing a process of transformation through engagement with the digital revolution. This conference presents developments that have taken place in the study of art and in its preservation. Sessions include Visualising the Past; Contemporary Art and the Digital Age; Teaching; and Sources, Archives and Research. There will also be demonstrations of a number of current projects.

A full conference programme and booking form are available online at <http://www.chart.ac.uk/chart01.html>.
