The Wolfsonian-Florida International University Research Fellowship

The Wolfsonian-Florida International University is a museum and research center that promotes the examination of modern material culture. The focus of the Wolfsonian collection is on North American and European decorative, propaganda, and fine arts of the period 1885-1945. The United States, Great Britain, Germany, Italy, and the Netherlands are the countries most comprehensively represented. There are also smaller but significant collections of materials from a number of other countries, including Austria, France, Japan, the former Soviet Union and Hungary. The Wolfsonian library has approximately 50,000 rare books, periodicals, and ephemeral items, as well as standard reference materials.

Eligibility is limited to those with a master's degree or higher; doctoral candidates are eligible to apply. Awards are generally for three to five weeks. The application deadline is December 31, for residency during the 2003-2005 academic years.
