

Munich Scholars Listserve

J.A. Nugent

Announcement: Munich Scholars Listserve now operating
Seeking new members

The Munich Scholars Listserve assists international scholars living and working in Munich and the surrounding area with practical matters concerning housing, research facilities, and contacts in the region. This listserve does not intend to duplicate the services of other groups such as H-German, Women-in-German or the Berlin Scholars lists. Members should be mindful of the regional focus of the group when posting messages. The list is moderated to exclude SPAM, virus warnings and other messages irrelevant to the membership. A monthly Stammtisch in Munich is scheduled to introduce members to each other in a socially supportive atmosphere.

To join the Munich Scholars list serve, please send your name, institutional affiliation and a brief statement of your scholarly interest to:
