

Re: REV: The Romanesque Fonts - correct Baptisteria Sacra URL

Harriet Sonne de Torrens

Dear members:

Please note that the reference that Silvia Schlegel kindly gave to our project on baptismal fonts, Baptisteria Sacra: An Iconographic Index uses this URL address:

<http://www.library.utoronto.ca/bsi>

The URL listed in her review of the Drake text, Romanesque Fonts is not used.

Thankyou.

Harriet M. Sonne de Torrens
