Preliminary Announcement from  
Post-1945 Japanese Art Discussion Group -  
Gendai Bijutsu Kondankai

PoNJA-GenKon

We are currently preparing to launch a networking group among art historians, graduate students, curators, critics, dealers/gallerists/auctioneers, and others who are specifically interested in post-1945 Japanese art. Our objective is to enrich the field of contemporary art proactively by such network and discussion platform that we will call PoNJA-GenKon.

If you are interested in becoming part of our initiative or simply want to know more about our prospects, please e-mail us at [Post1945JA@aol.com](mailto:Post1945JA@aol.com).

As the first phase of this project, we would like to identify who is working in this growing field. By contacting us at above address, you will receive a brief e-mail questionnaire. We hope to set up a mailing list shortly.
