Colleagues - the following advertisement was issued last week -
University of Ulster

Faculty of Arts

Having won substantial funding under the second phase of the Support Programme for University Research (SPUR2), the University of Ulster is establishing two major new research centres within the Faculty of Arts:

The Centre for Research in Art, Technologies and Design (CREATED)
The Centre for Media Research.

These centres are intended to build upon the proven strengths of research in art and design and media studies, build critical mass and stimulate research of national and international excellence.

Applications are therefore invited for the following posts
