Subject: Introducing-- Kritikos: (e-journal)

Greetings,
I an writing to announce the start of Kritikos, an e-journal
dedicated to the currency of postmodernity.
The journal intends to be a forum wherein scholars and artists can
publish sound, text and image.
This is a beginning, and I intend to to publish the journal as part
of my professional work, ad infinitum.
I am currently recruiting for an advisory/review board, and am
working to have the journal listed upon relevant and appropriate
academic databases. Those whom might be interested in participating
as reviewers are encouraged to respond with a short CV, and note
describing their interests. A call for submissions follows.
Sincerely,
Nicholas Ruiz III
Editor, Kritikos
