

Search for Argentinean artists and critics

Dear members of H-ArtHist,

I am a senior at Dartmouth College currently writing my thesis on Argentinean art and literature during the dirty war. My advisor, Professor Mary Coffey, and I are trying to organize a trip to Argentina so that I can interview relevant artists and critics. Does anyone have contact information for:

Juan Carlos Distéfano

Alberto Heredia

Víctor Grippo

León Ferrari

Norberto Gomez

Margarita Paksa

* Jorge Glusberg

Thanks in advance!

Sincerely,

Cort Kenney
