Henry Moore Institute Research Fellowships (2005-2006)

The Henry Moore Institute invites applications from artists, academics, curators and educationalists, who are interested in working on historic and contemporary sculpture using the resources available to them at the Institute. The collections comprise sculptures, a library, a slide and audio-visual library and an archive of works on paper and original documents. The Institute is able to offer the possibility of presenting finished research projects in published form, as a seminar, or in its exhibition galleries.

Up to four fellows will be offered accommodation, travelling expenses and a per diem in order to use the Institute's resources for periods of up to one month. Shorter-term informal research support is also available where it is felt applicants would benefit.

Please send a letter of application, a proposal and a CV (marked RF) by 7 January 2005 to:
