ABOUT H-Germanistik

H-Germanistik is designed to provide a platform for German Literature Studies. Its aim is to serve
the exchange of information on German literature from the Middle Ages to the present time. It
includes interdisciplinary information on German literature by inviting perspectives from
Comparative Literature, Cultural Studies, Postcolonial Studies, and related disciplines.

Like all H-Net lists, H-Germanistik is moderated to edit out material that, in the editors' opinion,
is not germane to the list, involves technical matters (such as subscription management requests),
is inflammatory, or violates evolving, yet common, standards of Internet etiquette. H-Net's
procedure for resolving disputes over list editorial practices is Article II, Section 2.20 of our
bylaws, located at:

http://www.h-net.org/about/by-laws.php
