

Storia della Città (History of Cities)

Alessandro Camiz

Dear H-ARTHIST readers,

let me introduce the site

STORIA DELLA CITTA' (History of Cities).

<http://www.storiadellacitta.it>

The site, directed by prof. Enrico Guidoni, collects informations, bibliographies and researches on the History of Cities with a particular focus on Italy in the middle ages.

The site is aimed to scholars and researchers, showing an internationally known scientific activity that since 1976 (Storia della Città, Rivista internazionale di storia urbana e territoriale, Electa editrice, founded and directed by prof. Enrico Guidoni) has experimented new methods in understanding the history of human settlements with a widely open and interdisciplinary approach.

thanking in advance for Your kind attention.

best regards.

Alessandro Camiz
