ABC-CLIO Seeking Academic Contributors
The ABC-CLIO World History Encyclopedia

ABC-CLIO is in the process of developing a comprehensive 21-volume Encyclopedia of World History. The work is an ambitious undertaking, and we are seeking the writing contributions from interested scholars. We are particularly anxious to make contact with art historians who specialize in all time periods and regions.

Within the encyclopedia, we will explore major themes through the development of specific topics. Our goal is to bring our readers a balanced and engaging view of the human experience. We will need qualified scholars to write on every aspect of the history of humanity. If there are scholars within your department who might be interested in helping with this enterprise, please ask them to send an e-mail message to me at mvallance@abc-clio.com [<mailto:cneel@abc-clio.com>](mailto:cneel@abc-clio.com), with a brief curriculum vita attached. It would be helpful if they would indicate in the e-mail the regions, topics and time periods about which they are comfortable writing.

Best Regards,

Monique Vallance
