

teaching art history on-line

Eva Fognell

Dear List members

This fall I am for the first time teaching Introduction to Art History (Paleolithic - to Gothic) as an on-line course for undergraduate students. Does anyone on this list have any experiences or syllabus from an on-line course to share? Advice and or suggestions would be greatly appreciated.

Sincerely

Eva Fognell

(Adjunct Art History, State University of New York, Cobleskill, New York)
