Nineteenth-Century Art Worldwide is read and consulted by members of the  
Association of Historians of Nineteenth-Century Art, as well as users of  
university and museum libraries, collectors, dealers, auctioneers and many  
others.

Because NCAW's readership will grow most steadily if access remains free  
to all, the Editors and the AHNCA Board have decided not to implement a  
subscription fee with password protection of the site. This means that  
fundraising for the journal—from individuals, foundations, organizations  
and businesses—must generate the income needed to produce the journal.  
For this reason, we invite all readers to make a fully tax-deductible  
contribution of any size. Donation details for individuals and  
institutions can be obtained by emailing the Treasurer, Colleen Denney at  
cdenney@uwoyo.edu.

Thank you.

Yours sincerely,
