Title: Visualizing the Past: A One-Day Conference for K-12
Educators

Location: Massachusetts

Date: 2006-10-13

Description: Pre-twentieth-century history is dominated by the
study of words on paper. Yet much of this period is also richly
documented by visual images. Illustrations found in books,
periodicals, prints and paintings can provide students with a
tremendous store of empirical data and a profound emotional
under ...
