

Henry Moore Institute Fellowships (Leeds, 2007/8)

Ellen Tait

(Deadline: 12 January 2007)

The Henry Moore Institute invites applications for the following fellowship programmes:

Research Fellowships are intended for scholars, artists, and curators, who are interested in working on historic and contemporary sculpture using the resources of the Institute. Up to 4 one-month fellowships will be offered. Shorter-term informal research support may be offered where considered appropriate.

Senior Fellowships are intended to give established scholars (working on any aspect of sculpture) time and space to develop a research project free from their usual work commitments. Up to 2 senior fellowships, for periods of between 3 to 6 weeks will be offered. We ask fellows to make a small contribution to the research programme in Leeds in the form of a talk or seminar.

Both fellowships provide accommodation, travel expenses and a per diem. The Institute offers the possibility of presenting finished research in published form, as a seminar, or as a small exhibition.

Full details are available on www.henry-moore-fdn.co.uk or contact Ellen Tait, tel: 0113 246 7467, ellen@henry-moore.ac.uk. To apply for either fellowship please send a letter of application, a proposal and a CV by 12 January 2007 to: Ellen Tait, Henry Moore Institute, 74 The Headrow, Leeds LS1 3AH.
