Clark Fellowships 2008-9 - Deadline looming...

There's still time (but only just) to get your application in for the 2008-9 Clark Fellowships

In response to "frequently asked questions" we thought we'd reiterate that we can accept all those applications postmarked up to the 16 November 2007 - and that we do request that all those applying ensure that their reference letters arrive by 16 November. We can accept emailed or faxed letters of recommendation but these must be followed up with a signed letter. Thanks

More information and application forms are available from
