### SCOTTISH SOCIETY FOR ART HISTORY RESEARCH SUPPORT GRANTS

The Scottish Society for Art History promotes scholarship in Scottish art and art located in Scotland. To facilitate this, the SSAH offers research support grants from £50 to £300 to assist with research costs and travel expenses. Applicants must be working at a post-graduate level or above and should either be resident in Scotland or doing research that necessitates travel to Scotland. The SSAH will accept applications throughout the year, awarding grants as funds are available. Our aim is to handle submissions within three months of receipt. Recipients will be given a one-year membership in the SSAH and will be asked to write a report for the SSAH newsletter, explaining how the grant was used.

To apply please send:

- a cover letter
- current curriculum vitae
- a brief project description (300-500 words) specifying how the grant will be used and how it relates to a broader research agenda
- a budget
- the name and e-mail address of one reference
