Call for Sponsored Session Proposals

International Medieval Congress at Kalamazoo, 7-10 May 2009

The International Center of Medieval Art (ICMA) seeks proposals for sessions to be held under the organization's sponsorship at the 2009 International Medieval Congress in Kalamazoo. Information about the Medieval Congress can be found at: <http://www.wmich.edu/medieval/congress/>.

The ICMA welcomes session proposals in all fields of medieval art history, broadly construed. Both junior and senior scholars are invited to propose sessions for ICMA sponsorship.

The deadline for sponsorship proposals is 1 May 2008. Session organizers and speakers must be members of the ICMA at the time of the conference. Information about the ICMA can be found at its website: <http://www.medievalart.org/>.

Proposals for ICMA sponsorship should consist of a title, an abstract describing the topic of the session, and the CV of the individual submitting the proposal. Please direct all session proposals and inquiries to the Chair of the ICMA Programs Committee:
