Call for Session and Roundtable Proposals

Due date: 19 December 2008

European Architectural History Network

First International Meeting

Guimarães, Portugal

17-20 June 2010

The time has come for scholars who share research and teaching objectives in architectural history to gather at a single pan-European meeting. In accordance with the EAHN mission statement, this meeting proposes to increase the visibility of the discipline, to foster transnational, interdisciplinary and multicultural approaches to the study of the built environment, and to facilitate the exchange of research results in the field. Though the scope of the meeting is European, members of the larger scholarly community are invited to submit proposals related not only to Europe's geographical framework, but also to its transcontinental aspects.

The main purpose of the meeting is to map the general state of research in disciplines related to the built environment, to promote discussion of current themes and concerns, and to foster new directions for research in the field. Session proposals are intended to cover different periods in the history of architecture and different approaches to the built environment, including landscape and urban history. Parallel sessions will consist of either five papers or four papers and a respondent, with time for dialogue and questions at the end. In addition, a limited number of roundtable debates addressing burning issues in the field will also take place at the meeting. Proposals are sought for roundtable debates that re-map, re-define, and outline the current discipline. They will typically consist of a discussion between panel members and encourage debate with the audience. The goal is to create a forum in which different scholars can present and discuss their ideas, research materials and methodologies.

Scholars wishing to chair a scholarly session or a roundtable debate at the 2010 EAHN Meeting in Guimarães, Portugal, are invited to submit proposals by 19 December 2008 to jorge.correia@arquitectura.uminho.pt
