The French Connection: New Perspectives on French Contemporary Art Conference

Winstanley Lecture Hall, Trinity College - Cambridge, University of Cambridge
24-26 July 2008

International conference on French contemporary art, The French Connection offers a platform to reflect upon the recent changes in French art as well as an opportunity for its further 'promotion'. This conference will also offer a space for reflection on the idea of 'national art', a questioning that opens onto a discussion of French identity, cross-cultural artistic practices, and disciplinary change.
