

## Panelist, South. American Studies Association Conf. (12-14 Feb 09)

Victoria Ott

I am looking for a commentator for a panel at the Southern American Studies Association conference in February 12-14, 2009.

The topic is dealing with constructions of womanhood in the post-Civil War South. I have three panelists from various disciplines who are presenting on the topic, and we are preparing to submit our proposal in the next few weeks. In the spirit of interdisciplinary learning, we would like to have an art historian who can offer their own unique perspective on the papers and panel topic.

If you are interested in serving, please send a 1-page c.v. to Victoria Ott, [vott@bsc.edu](mailto:vott@bsc.edu).
