Category: Conference

#####

Title: University of Brighton, International Conference: Art and

Design Education for the 21st Century

Date: 2009-02-06

Description: The ways in which approaches to art and design education have changed over the past 150 years are a matter of historical record. Although this conference acknowledges the radical changes that have been enacted in the past, its focus is unambiguously forward looking. The role and significance of art ...
