

Call for Authors - Art History (ABC-CLIO)

Fred Nadis

Dear Scholars:

ABC-CLIO, a leading publisher of academic reference works, is in the process of developing a comprehensive 21-volume Encyclopedia of World History. We are looking for interested scholars to prepare 500-1500 word articles with a global perspective in the area of Art History.

Compensation: contributors will have their names associated with the entries they contribute, and receive access to the e-book version of the entire encyclopedia for personal use. Contributors assigned 3,000 words or more will also receive a credit of \$300 towards purchase of ABC-CLIO/Greenwood/Praeger books.

In order to meet review standards, we do require that contributors hold a Ph.D., ABD, be currently enrolled in a doctoral program, or have recognized expertise in the field. If you are interested in writing 1 or more of the entries listed below, please send a c.v. to Fred Nadis (Project Editor) and/or Jeanie Azizian (Project Coordinator):
