

Journal for Art Market Studies, Vol. 5 No. 1 (2021): Representing the Art Market

Dr. Susanne Meyer-Abich

A public fascination with the art market and its players, with its layers of duplicity and authenticity, visibility and opacity, has long reverberated in fictional accounts, be it in film or popular culture. The new issue of the Journal for Art Market Studies explores the themes of such representations, taking the interdisciplinary approach to rarely visited territory.
