11-14 November 2021

We invite you to join the upcoming virtual conference Surrealisms 2021, hosted by the International Society for the Study of Surrealism, November 11-14, 2021. In the midst of the COVID-19 pandemic, the ISSS remains committed to its mission of establishing, maintaining, and expanding connections and networks of surrealism scholars, writers, and artists around the world and across disciplines and languages.

Surrealisms 2021 assembles scholars and artists from around the world and in multiple languages as an online conference marathon. True to the spirit of surrealism as a world movement without a single locus but with many local centers amplifying the message of collective activity "sans frontières," Surrealisms 2021 calls upon the international membership of the ISSS for local action and global reach.

We have an exciting line-up of panels, roundtables, gallery tours, discussions, and pre-recorded artistic submissions featuring artists and scholars from all around the world.

Sessions will be recorded and available to registered attendees for two weeks after the conference.

Los invitamos a Surrealisms 2021, el congreso virtual organizado por la Sociedad Internacional para el Estudio del Surrealismo (ISSS). En medio de la pandemia de COVID-19, la ISSS sigue comprometida a su misión de establecer, mantener y expandir conexiones y redes de investigadores, escritores y artistas del surrealismo en todo el mundo, en todas las disciplinas académicas y a través de distintos idiomas.

Surrealisms 2021 reúne a investigadores y artistas en todo el mundo para que formen un "maratón" de conferencias en línea que se presentarán en varios idiomas. Hemos animado a los centros de actividad locales a coordinar encuentros y también eventos presenciales, si las condiciones locales lo permiten. Fiel al espíritu del surrealismo como movimiento mundial sin un único lugar pero con muchos centros locales que amplifiquen el mensaje de la actividad colectiva "sin fronteras", Surrealisms 2021 ha invitado la membresía internacional de la ISSS de realizar acciones locales con un alcance global.

Contamos con un programa fascinante de paneles, mesas de discusión, recorridos por galerías, debates y presentaciones artísticas pregrabadas por artistas y académicos en todo el mundo.
