

## Fellowship, Crystal Bridges Museum of American Art, Bentonville, AR

Crystal Bridges Museum of American Art, Bentonville, Arkansas, United States

Application deadline: Jan 14, 2022

Taylor Pecktal

Tyson Scholars of American Art Program at Crystal Bridges Museum of American Art, 2022-2023

Crystal Bridges and the Tyson Scholars Program invites PhD candidates (or equivalent), post-doctoral researchers, and senior scholars from any field who are researching American art to apply. Scholars may be focused on architecture, craft, material culture, performance art, and new media. We also invite applications from scholars approaching US art transregionally and looking at the broader geographical context of the Americas, especially including Latinx and Indigenous art. Applications will be evaluated on the originality and quality of the proposed research project and its contribution to a more equitable and inclusive history of American art.

Fellowships are residential and support full-time writing and research for terms that range from six weeks to nine months. While in residence, Tyson Scholars have access to the art and library collections of Crystal Bridges as well as the library and archives at the University of Arkansas in nearby Fayetteville. Stipends vary depending on the duration of residency, position as senior scholar, post-doctoral scholar or pre-doctoral scholar, and range from \$17,000 to \$34,000 per semester, plus provided housing. The residency includes \$1,500 for relocation, and research funds upon application.

For more information, visit: <https://crystalbridges.org/reports-and-research/tyson-scholars/>. Questions can be directed to [TysonScholars@crystalbridges.org](mailto:TysonScholars@crystalbridges.org). Deadline for the 2022-2023 academic year is January 14, 2022.
